

# The Bottom Line – Lake Eddins

January, 2015

As the New Year gets started, many people make resolutions to lose weight, be positive, stop smoking, and more. My New Year's Resolution is to s-l-o-w d-o-w-n! All of you know how hard that is to do!

Let's all work hard to be our best in every way this new year!

Beginning in February, we will be focusing on area places of worship,. If you attend church in our surrounding area, please contact me with information on location, times, pictures, etc. We'd like to make sure our full-time residents and weekenders know their options for places to worship!

Phil, Danny, and Tommy—  
Thank you for your outstanding diligence maintaining the lake level during our recent downpours and storms. We know you went over and above the call of duty by monitoring and adjusting the overflow gates to prevent water loss.

With Heartfelt  
*Sympathy*

The Lake community would like to offer our condolences to two families who lost loved ones over the last two months. Mrs. Betty Robinson passed away in November. Cathy Riley lost her mother, affectionately known as Big Mom, in December.

Cathy asked specifically to express her thanks to all of you for the visits, food, prayers, thoughts, and letters she received after Big Mom's passing. She appreciates all the support during this very sad time in her life.

Dear Ms. Smith,

On behalf of Lake Eddins Owners Association, the Board of Directors thanks you for your generous gifts. Specifically, we want to thank you for the donation of gravel to the area of the dumpsters on the west side of the lake. Adding the gravel has improved the area in such a way that property owners are able to utilize the dumpsters without having to deal with clay and mud.

We also thank you for your gifts of talent, time, and donations you spent arranging the Christmas display at the front gate and at the pavilion/playground. As a member of the board said, "topping that hill and rounding the curve on my way home from work and being met with a wonderful display of lights, decoration, and a beautiful Nativity, just says welcome home." Driving by the playground and seeing all the children's decorations was a highlight especially for the children (and grandchildren). Choosing to put them at the playground was a great idea.

We appreciate you and your willingness to volunteer. Thank you from your neighbors.

Sincerely,

Larry Nobles, President  
Lake Eddins Owners Association  
Board of Directors
