It's that time of year again, where thoughts shift to being thankful, family gatherings, and all things good.

Recently, I was asked to come up with a presentation for our 4th graders at Nora Davis for our Thanksgiving Program. We were assigned 'Kindness'. In my research, I came across a song and video that touched my heart. Here are some of the lyrics.

'Small acts we do together; even though we may be alone; changes the world for the better; so we can call it home.'

- Nimo, "Being Kind"

We can make a difference in this world by showing love—one small act at a time.

Attitude of Gratitude

One of the things I love about Lake Eddins is the friendliness of our residents: hands wave when a car passes, neighbors visiting in the yard, boats pulled up to a deck catching up on the latest fishing news, the use of our Facebook page to keep everyone connected...all those small acts of kindness create a loving atmosphere.

It is pretty standard to talk about being thankful during November. This year, let's let our attitude of gratitude continue ALL 12 months!

Thank you, neighbors, family, and friends, for the support you've shown me as I endeavor to produce a newsletter each month. I appreciate your kind and thoughtful words and your suggestions. I thank God for each of you!

October News from Lake Eddins Volunteer Fire Department:

This month we had three EMR calls responded to. One was here on the lake and the other two were outside. We responded to two fire calls where we were asked to back up another department. After leaving the lake area in response we were called and canceled for both of these calls.

The swing/play set was erected and have seen several children enjoying it. We hope that it brings pleasure for a long time to come.

We had our Rib Plate fundraiser this month and felt like it was a great success. Thank each one who took part. Hope you enjoyed your meal.

That's about it for this month. Hope all have a fun and safe Halloween.

Halloween "Spook"tacular

After trick or treating Saturday night, all residents are invited to join us at the pavilion for a weenie roast followed by a hayride! We will be at the pavilion at 7 pm. Hotdogs, buns, and condiments will be provided. You may bring plates, napkins, or chips. Please bring you own drinks!

Following the meal, we will load the trailers and enjoy a hayride around the lake!

****Watch Facebook and your email in case of inclement weather. We may have to reschedule for another weekend.****

We Are...

The Lake Eddins Bunco Belles

We are one of multiple groups of women that play Bunco here at the lake. Bunco is a fun easy to learn game using dice. Our group consist of 12 women that get together on the 3rd Tuesday at 5:30 pm. We enjoy a nice supper together and good fellowship before and during the game playing. We at times are in need of subs to play with us when one might be out of town or sick. This at times can be on short notice. For this reason we are looking for anyone that might want to play with and joining our substitute list. If you are interested in a fun night and great fellowship then this could be the fun you are looking for.
